

# Forest School Flyer

*Issue 4*

It is wonderful to be back with the children and appreciating these beautiful autumn days.

We have enjoyed scavenger hunts, den building, whittling and drilling conkers.

After half term, we will begin with some leaf/tree identifying and will then start to create some Christmas crafts in the woods.

Please remember, full Forest School kit should be in school at all times.

This should include:

- Wellington boots
- Waterproof trousers/coat/puddle suit
- Long trousers (joggers)
- Long sleeve top
- Spare socks

If your child has outgrown any joggers or tracksuits from last year I'd be very grateful for any donations for children to wear at Forest School.

The teachers have been having fun too!

Mrs Bonsall
