

Design A Sign Competition

Please design and create a sign over the summer holidays with your family.

This can be any size you would like, but no larger than A3.

Be as creative as you can be. Use different materials (bear in mind this has to be able to be scanned to be made into a sign)

Make sure your design is **BIG, Bold and Bright!!!**

The best design will be scanned and displayed outside the Church Institute.

Entries to be in by Friday 13th September 2019.
This can be fun for all the family!!

Happy Designing!
