Great Barton CE Primary Academy PE and Sport Premium 2016-2017

At Great Barton CE Primary Academy our aim is to enable all children to engage in quality PE lessons, where individuals are able to learn and develop new skills, challenge themselves and excel in ways that promote self-confidence alongside self-esteem. We encourage children to understand the importance of living healthy lives, making independent decisions that will promote a life of well-being and enrichment.

National Curriculum Programmes for Study for Key Stage 1 and 2 Purpose of study:

A high-quality physical education curriculum inspires all pupils to succeed and excel in competitive sport and other physically-demanding activities. It should provide opportunities for pupils to become physically confident in a way which supports their health and fitness. Opportunities to compete in sport and other activities build character and help to embed values such as fairness and respect.

Aims for pupils:

- develop competence to excel in a broad range of physical activities
- are physically active for sustained periods of time
- engage in competitive sports and activities
- lead healthy, active lives

Funding for Sport and PE Premium

The funding for all schools is currently £8000 annually, plus an additional £5 per pupil.

The Educational Funding Agency (EFA) sends their academies their PE and Sport premium funding in 2 separate payments. We receive:

- 7/12 of funding allocation on 1 November 2016
- 5/12 of funding on 1 May 2017 Projected Spending of Premium for Academic Year 2016-2017 1)

Based on the January 2016 census of 200 pupils this would have given us an amount of £9000

How do we spend our Sports Premium Funding?

Membership of Gipping Valley and Thurston Sports Partnership – cost £750 for the ‘Gold Package’

Gives our academy access to:

- Coordination of sports Partnership and staff
- Input at Liaison Meetings, Local PE meets Links with CSP’S, NGBS and external PE support.

What effect did this have on pupils' PE and sport participation and attainment?

Improved staff skill and understanding through the investment in Gipping Valley Sports Partnership and paying for a qualified coach to deliver team teaching, model best practice and assessment of pupils.

Pupils have enjoyed increased participation in Gipping Valley Sports Partnership events as well as Thurston Partnership events. For example: Tag rugby, cross country running, dodgeball, sports hall athletics, gymnastics, rounders, football, netball, sports festival, swimming

Our year 6 pupils have the opportunity to be play leaders, this included training from our sports coach.

We offer a wide variety of sports clubs – both before and after school for all pupils. Autumn term included: gymnastics, table tennis, athletics and boxercise. Spring term included: gymnastics, ball skills and dodgeball. Summer term included: dance, handball, rounders, netball and cricket.

How will we ensure that these improvements are sustainable?

Teachers have weekly CPD through their work with the sports coach. We also have the opportunity for training in a particular area of the curriculum to add to our expertise.

We will continue to pay into the Gipping Valley Sports Partnership's "gold" service and utilise the full package offered. This will enable our pupils to access a wide range of sporting activities and participate in competition with a range of schools and abilities of pupils.

We will continue to access clubs and resources for our pupils.

Yearly audits of our Sports Premium funding ensure good value for money and enable us to target key groups and areas for future investment.
